

“Deeply inquiring into Being”

Waking Down in Mutuality **Colorado Retreat** **May 14-18, 2015** **in** **Boulder, Colorado** **(Yes, we’ve moved our event!)**

Join us in community for 4 days of deep exploration, inquiry, and immersion into Being.

There’ll be lots of personal attention in small groups, large group inquiry time, and full body transmission through meditation and simply being together.

One of the focuses of the weekend will be exploring the aspects and influence of the *core wound* throughout our development. What is the benefit of really leaning into being human fully?
